

Sky-O-Lympics (Skyliner Olympics)

1. To compete for prizes, in driving classes, you must be driving a Ford Skyliner (57, 58, 59)
2. You may own the Skyliner or use a borrowed Skyliner.
3. The top may be up or down.
4. The driver (and passenger) must remain seated during contest.
5. No accessories, not available in 1959 (backup camera, etc.) may be used to help win contests.

Tub Ball. The entrant drives a Skyliner in a marked circle. The driver or passenger has 4 tennis balls that they must throw into a target "luggage tub" within the driven circle in 60 seconds. The "tub" will be within 10' of the Skyliner path. The contestant that has the most balls in the tub, wins. In case of a tie the shortest time will break a tie.

Back-Up. The entrant must back up a Skyliner to a driveway marker pole within 60 seconds. Touching the pole eliminates the contestant. The driver that comes closest to the pole without hitting it, wins. In case of a tie the shortest time will break a tie.

Pull-Up. The entrant must drive a Skyliner forward to a driveway marker pole within 60 seconds. Touching the pole eliminates the contestant. The driver that comes closest to the pole without hitting it, wins. In case of a tie the shortest time will break a tie.

Drive Thru The Cups! The entrant must drive a course of Styrofoam cups in 60 seconds. The cups are laid out to allow a Skyliner to pass thru but with minimum clearance. Hitting one of the cups eliminates the contestant. Winners of the "first go around" will drive the course again as the cups are moved closer together. This will continue until a contestant is identified as the finalist and thus the winner.

Hubcap Toss. Method and scouring will be similar to Horseshoes. There will be a ring (think hula-hoop). If you get a hubcap in the ring, you get 3 pts. If the hubcap lands on the ring, you get 2 pts. If the hubcap lands within a hubcaps diameter of the ring, you get 1 pt. If there is a tie, winners will be determined by a "toss off".

This is to be a **FUN event!!** The awards will be presented on Thursday evening in the parking lot. Times and locations of activities will be announced at the Convention.

The Contest Chairperson is the ultimate authority.
